HSED – Social Studies, Science, Math, English/Language Arts, Health, Civics – similar to high school classes (Quizzes/Tests as assigned by teacher.)

GED – Social Studies, Science, Math, English/Language Arts, Civics – more independent study, some class interactions. (Prepare for tests at end of each section.)

MATC steps to begin programs:

- Basic Information (name, address, phone, email) NOTE: If you had a GED account in another state, ask if it can be transferred to MATC in WI.
- Instructions to set up MATC account and GED account
- TABE Test (Placement) – about 2-3 hours – online or at MATC
- Meet online with Advisor – about 1 hour – after TABE Test
- First Class explains Blackboard, Study Skills, Career Placement, etc.

FREE USE OF LAPTOP AND HOT SPOT! No fees except for books if needed.  
Both have virtual classes, scheduled at different times for each subject.
