New Families

New families must complete an intake at the Respite Center. During an intake appointment, information about your child, their strengths and needs, medical information, and emergency contact information is gathered. To schedule an intake, call 608-244-5700.

Emergency & Crisis Child Care

Call 608-244-5700 if you need immediate care for your children. There is always space to accommodate families in crisis. Staff is available to offer support and resources to families who call in crisis.

Scheduling Care

To schedule care for your children, call 608-244-5700. Care is planned in ways to help families in crisis so care depends on available space. If we can't meet your immediate need, we will work with you to find another date and time to provide care and offer a break. There is a sliding fee scale for care, but no one is turned away for inability to pay.
