Pregnancy Testing

Laboratory quality pregnancy testing free of charge

Pregnancy test verification

Positive Pregnancy Test Verifications are needed to apply for Badgercare Plus. After confirming your pregnancy, we can provide you with Express Enrollment for Badgercare, if you qualify. You will be able to start seeing a doctor right away.

First Care Clinic offers consultations and evidence-based medical education about your pregnancy options; however, we do not offer or refer for abortion services. Our medical personnel are available to help answer any questions you may have.
